Dear Amy,

This letter is in regards to the 3/25/14 follow up compliance check of your Level B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

☐ 110.5(1) Conditions in the home are safe, sanitary, and free of hazards.

It was observed by Becky Kalar, Scott County Kids that a child under the age of one was sleeping in a vibrating infant seat and that the child was not removed from this seat and placed into a safe sleep environment such as a crib, pack-n-play or on the floor with a receiving blanket during the course of the visit. Amy will follow safe sleep practices within her childcare home.

Please do not hesitate to contact me at DHS at (319) 208-5521 if you have any questions regarding this letter.

Sincerely,

Chad Reckling
Social Worker II

Always Remember:

Child Care Resource and Referral is an excellent resource for providers to access training options and support in your area. You can reach Child Care Resource and Referral at 1-866-324-3236

As you plan your future trainings to meet your 24 hours of training requirement, please remember that you need to use only DHS approved training and only 12 hours can be by self-study. You can access the approved training by going to http://www.dhs.state.ia.us/Consumers/Child_Care/Professional_Development.html and you can sign up for training at <https://ccmis.dhs.state.ia.us/trainingregistry/>

All providers need to maintain compliance with rules set out in Iowa Administrative Code, Chapter 110, which includes: 441 IAC 110.5(1): Check with the appropriate authorities to determine how the following local, state, or federal laws apply to you: • Zoning code • Building code • Fire code • Business license • State and federal income tax • Unemployment insurance • Worker's Compensation • Minimum wage and hour requirements • OSHA • Americans with Disabilities Act (ADA).
